

# Entry-Level Fabricator

Industrial Fabricating Corporation  
6201 East Molloy Road  
East Syracuse, NY 13057  
Industrialfabricating.com  
315-437-3353

## **Company Profile:**

We have been a custom metal fabricating company since 1957. This fast-growing fabrication and manufacturing company specializes in high-quality metal structures for industrial and commercial clients. Our team values precision, safety, and craftsmanship, and we're looking for an entry-level fabricator to join our crew.

**Employment Type:** Full-Time - 1st Shift

## **Job Summary:**

As an Entry-Level Fabricator, you'll work alongside experienced team members to create, assemble, and finish metal or other material components. No prior fabrication experience is required - just a positive attitude, attention to detail, and a readiness to learn.

## **Responsibilities:**

- Assist in measuring, cutting, and assembling materials according to specifications
- Operate basic hand and power tools (training provided)
- Maintain a clean and organized work area
- Follow safety guidelines and company procedures
- Support senior fabricators with daily tasks

## **Qualifications:**

- High school diploma or equivalent
- Strong work ethic and willingness to learn new skills
- Ability to follow instructions and work as part of a team
- Basic math skills for measuring and cutting materials
- Comfortable standing for extended periods and lifting to 50 lbs.

**What We Offer:**

- Paid on-the-job training via experience mentors.
- Opportunities for career growth and skill development.
- Competitive starting pay with room to grow.
- Paid time off and holidays.
- Opportunities for overtime and advancement.
- Health, dental, and vision insurance.
- 401 (k) with company match.
- A supportive, team-oriented workplace.

**How to Apply:**

Go to our website at [industrialfabricating.com](http://industrialfabricating.com) to complete the on-line application. Send your resume and a brief cover letter to [mkocan@industrialfabricating.com](mailto:mkocan@industrialfabricating.com) with the subject line "**Entry-Level Fabricator Application**".
