

Entry Level Fitter/Welder

Industrial Fabricating Corporation
6201 East Molloy Road
East Syracuse, NY 13057
Industrialfabricating.com
315-437-3353

Company Profile:

We have been a custom metal fabricating company since 1957. This fast-growing fabrication and manufacturing company specializes in high-quality metal structures for industrial and commercial clients. Our team values precision, safety, and craftsmanship, and we're looking for an Entry-Level Fitter/Welder to join our team. No extensive experience is required — just a basic understanding of welding, a strong work ethic, and a desire to grow your skill.

Employment Type: Full-Time - 1st Shift

What You'll Do:

- Assist in measuring, cutting, and fitting metal components
- Perform basic welding tasks under supervision (MIG, TIG)
- Read and follow simple blueprints and instructions
- Maintain a clean and safe work area

What We're Looking For:

- High school diploma or equivalent
- Basic welding knowledge (school shop class or vocational training a plus)
- Strong mechanical aptitude and attention to detail
- Willingness to learn and take direction
- Ability to work well in a team environment

We Offer:

- On-the-job training with experienced mentors.
- Competitive starting pay with room to grow.
- Paid time off and holidays.

- Opportunities for overtime and advancement.
- Health, dental, and vision insurance.
- 401 (k) with company match.
- A supportive, team-oriented workplace.

How to Apply:

Go to our website at industrialfabricating.com to complete the on-line application. Send your resume and a brief cover letter to mkocan@industrialfabricating.com with the subject line "**Entry-Level Fitter/Welder Application**".
